**EduNet Webinar:** The Healthcare Response to Child Trafficking and Exploitation

**On-demand Release Date:** June 6, 2022

Welcome, Introductions, and Review of Agenda by Midwest Regional CAC  
EduNet Webinar Presentation

**Course Description:**

This presentation will discuss definitions, risk factors and dynamics of child labor and sex trafficking, before examining the role of the health professional in recognizing child trafficking and contributing to a holistic, multidisciplinary response that is trauma-informed and culturally responsive. We'll discuss ways health and other child-serving professionals and their organizations can optimize patient/client care through the use of protocols and core competencies.

**Learning Objectives:**

1. Become familiar with the types of child trafficking, their risk factor and health impact.
2. Gain insight into the trauma-informed approach to care, available resources for patients, and mandatory reporting laws.
3. Describe the process of creating policy and protocol for recognizing and responding to suspected labor and sex trafficking.
